Any changes will be communicated to the market.

#### **Expert System**

Headquartered in Chicago, Expert System is a leading provider of information access solutions based on the proprietary, patented, multilingual semantic technology of Cogito. Using Expert System's products, enterprise companies and government agencies can go beyond traditional keyword approaches for the rapid sense-making of their structured and unstructured data. Expert System technology has been deployed to deliver solutions for a vast range of business requirements such as: semantic searches, text analytics, the development and management of taxonomies and ontologies, automatic categorization, the extraction of data and metadata, and natural language processing. Expert System's clients include organizations such as Shell, Chevron, Ely Lilly, Wolters Kluwer, Networked Insights, Nalco Champion, US Department of Justice and the DTRA.
