

## Expert System: change in the 2018 calendar of corporate action events

**Modena, 15 March 2018**

In addition to the information in the calendar of corporate action events already disseminated to the market and pursuant to article 17 of the AIM Italia Regulation, [Expert System](#), leader in the market of cognitive computing and text analytics, listed on the AIM Italia market organised and managed by Borsa Italiana, reports that the Board of Directors will meet on Friday, 23 March 2018, for the approval of the draft financial statements of the parent company, the presentation of the consolidated financial statements as at 31 December 2017 and the updating of the guidelines for 2018 and 2019.

The presentation of the 2017 results and 2018-2019 guidelines will be made available on the company website [www.expertsystem.com/](http://www.expertsystem.com/) in the section *Investor Relations/Presentations*.

### Expert System

A leader in the cognitive computing and text analytics market, Expert System offers the most innovative artificial intelligence solutions for process automation and information management. Through Cogito® technology, based on the combination of semantic understanding and machine learning, we ensure that our partners and customers acquire strategic knowledge to speed up decision-making processes and maximise ROI: from customer care to compliance, from the management of risk profiles to security and intelligence. The Group's main customers include companies and government organisations, with offices in Italy, France, Spain, Germany, the UK, the USA and Canada: Zurich Group, Lloyd's of London, Intesa Sanpaolo, Chevron, Eni Group, the U.S. Department of Agriculture and the U.S. Department of Justice, the French Ministry of the Interior and the French Ministry of Economy and Finance, Wolters Kluwer, Ely Lilly, Sanofi, etc. The company is listed on the AIM market of Borsa Italiana since 2014 (EXSY:MIL).
