

Expert.ai to participate in the "TP ICAP Midcap Conference"

May 9, 2022

Expert.ai, a leading company in artificial intelligence for language understanding, will participate at "TP ICAP Midcap Conference", organized by TP ICAP Midcap to stimulate interactions and a fruitful exchange between top management and the financial community.

The event, which will be held at Pavillon Gabriel, Paris, from May 11 to 12, will allow listed companies to meet with international investors in one to one/small group meetings.

Stefano Spaggiari, Executive Chairman of expert.ai, will be present at the **May 12** meetings to share 2021 results and explain the company's business model, projects and the Group growth prospects in the artificial intelligence market applied to natural language understanding and processing.

Expert.ai's presentation will be made public on the morning of the event on the company's website in the *Investor Relations - Presentations* section.

In accordance with article 17 of the Euronext Growth Milan Issuers' Regulations, the company has updated the 2022 corporate events calendar to include the event. It is available at <https://www.expert.ai/investor-relations/financial-calendar>

This press release is available on www.expert.ai and at www.emarketstorage.com.

About expert.ai

Expert.ai (EXAI:IM) is a leading company in AI-based natural language software. Organizations in insurance, banking and finance, publishing, media and defense all rely on expert.ai to turn language into data, analyze and understand complex documents, accelerate intelligent process automation and improve decision making. Expert.ai's purpose-built natural language platform pairs simple and powerful tools with a proven hybrid AI approach that combines symbolic and machine learning to solve real-world problems and enhance business operations at speed and scale. With offices in Europe and North America, expert.ai serves global businesses such as AXA XL, Zurich Insurance Group, Generali, The Associated Press, Bloomberg INDG, BNP Paribas, Rabobank, Gannett and EBSCO.
